Sagi and his crew turned my outdated and non-functional bathrooms into clean modern works of art. Every step of this process was done in a clean and organized way; i.e. No dust or mess. The quality of the work is literally second to none. Perfect tile, perfect electrical, great design, glass done to perfection...even the grout and stone were flawless. Really reasonable prices, wonderful friendly crew, completed in a timely fashion and all done properly inspected. I couldn't have asked for more. I'm recommending them to everyone I know. 10+ stars!!!!
